## HoloPro™ at the Museum of Islamic Art of Doha, Qatar

The "Book of Secrets in the Results of Ideas" is a book that dates back to the year 1000. The drafts of the Book of Secrets deserve special presentation. Under the patronage of the Emir of Qatar, His Excellency Sheikh Hmad bin Khalifa Al-Thani, the means have been provided for a permanent exhibition of the Book of Secrets at the Museum of Islamic Art in Doha.

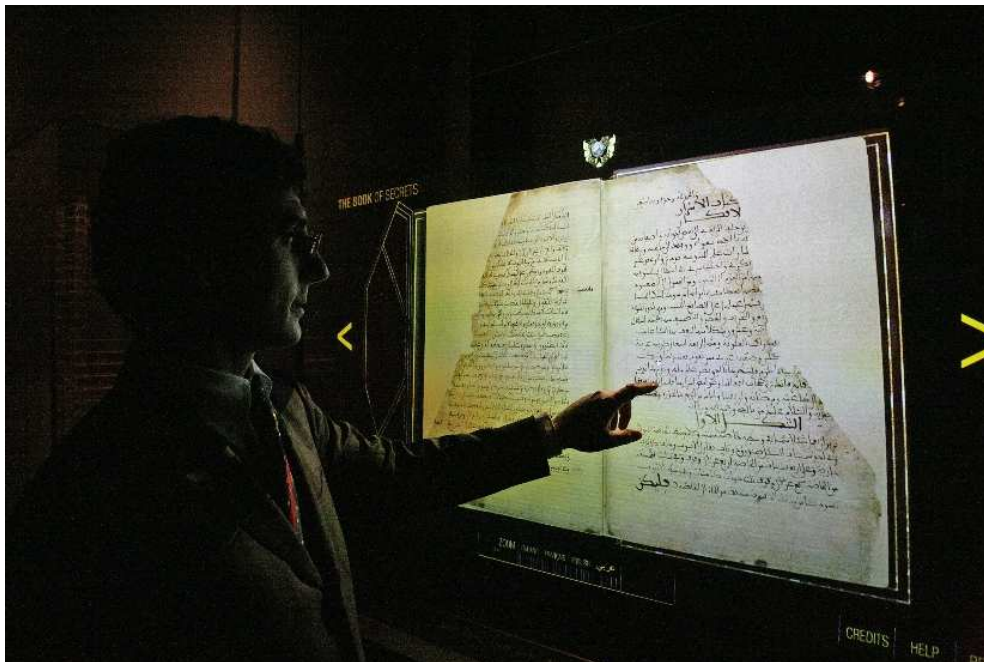

Copyright by Leonardo3 - all rights reserved. HoloPro™ Touch-Installation, designed and produced by Leonardo3 for the Museum of Islamic Art of Doha, in Qatar.

This exhibition contains, amongst other things, a 2.10 m x 1.83 m glass screen with an interactive 67" HoloPro™ film. This means that visitors can leaf through the Book of Secrets interactively and operate the three-dimensional computer models.

# Press Release

This very special installation was made possible by very close cooperation with our Italian dealers Leonardo3.
